1. The following personnel changes have taken place in Ustka harbor: 25X1
  - a. Lt. Commander Franciszek Dabrowski, the garrison commander and former commander of the navy unit in Ustka, has been replaced by an unknown officer. It is expected that Dabrowski will be discharged from the Navy.
  - b. Captain Czeslaw Kazuba, the captain of the port, has been discharged from the Navy and is now living somewhere near Warsaw. His successor as captain of the port is Captain Ignacy Markiewicz, former captain of the port in Kolobrzeg (Kolberg). It is assumed that Markiewicz is a Communist.
  - c. Captain Pappelbaum has been dismissed as teacher at the Navy Specialists' School in Ustka, and also has been removed from his position as an officer of the port. In his capacity as port officer he has been succeeded by Wacław Schmidt, a former ship-broker from Szczecin. Captain Pappelbaum is now living in Poznań, but it is expected that he will return to Ustka to direct the district fishing cooperative (Kombajn Rybacki) which was organized in Ustka recently.
2. Kazimierz Arter, a former pilot in Ustka, has been named captain of the port of Kolobrzeg (Kolberg). He is described as a very firm Communist.
